## FOREWORD

Time is the essence of all being — the yesterdays, the todays, the tomorrows. When their events are compiled, mankind's record of progress, achievement, and accomplishment becomes a bright page in history for all to peruse.

We are limiting our record of attainment to our time in school. These are our bright pages.

## ADMINISTRATION AND FACULTY

## SUPERINTENDENT'S MESSAGE

### TO THE MEMBERS OF THE CLASS OF 1958:

May I extend my congratulations to each member of the graduating class of 1958 and to the parents who, through their cooperation with the school personnel, have made the successful completion of your elementary and secondary education possible.

In our former yearbook messages we have stressed the fact that the very word "commencement" signifies a beginning rather than an end. It should be a beginning of your further quest for knowledge and truth. We have tried to give you the tools, the ideals and the attitudes to aid you in the future years. If we have been successful, you will not stop here, but will be eager to increase your knowledge and understanding. You are on the threshold of a tremendous new age. Atomic power is still in its infancy; scientists are reaching out into space. Many educators are beginning to stress the value of a scientific education to the exclusion of the humanities and the cultural subjects. We in this country believe in educating the whole student; this has been our objective in the Woburn Schools. We have perfect confidence that in the future you will be able to take your place among the other members of your generation in solving the problems of a new age.

It is our sincere prayer that you will never cease to ask for Divine Guidance; that you will continue to learn and develop your native abilities to their maximum, and that you will contribute your share, however large or small, toward the ultimate goal—a better world.

Dr. J. Frank Hossett  
Superintendent of Schools

Dr. Hossett's dictation keeps his secretary, Miss McGowen, busy.

# PRINCIPAL'S MESSAGE

Mr. Bloke discusses the program with Mr. Vollorio.

## MEMBERS OF THE GRADUATING CLASS OF 1958:

The eve of graduation for the class of 1958 is a time fraught with anxiety. It recalls the words of Dickens writing of another era in history: "It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity . . . it was the spring of hope, it was the winter of despair."

Certainly the momentous events of your last year in high school, the increasingly wondrous developments in science, and the inquiries of our leaders require us to ask how well we have prepared to enter our complex modern world as graduates in the spring of 1958.

A new chapter in the record of mankind dawned with the first release of nuclear energy! We have come far from the relatively simple society which existed in the early days of our high school in the mid-nineteenth century. The ever-changing and organic society of 1958 is a daily challenge to the methods of education in our present secondary schools. Yet the principal aim of the Woburn High School has always been to provide the best possible education that our community could provide to meet the contemporary educational needs of the youth who attend the school.

It is hoped that we have learned from history that the great problem of our times may well be the proper development of moral and spiritual values. If the days ahead are grim, we must strengthen our faith in the present and in the great potentialities that lie within all of us. We must remember as we enter the competitive task of daily living in our American democracy in 1958 that the thing that counts is not what we can't do, but what we can. We must use our abilities, not our disabilities. In that, I feel, you and our country will reach our greatest day.

## FACULTY

We, the Class of 1958, owe a debt of gratitude to our faculty. These able workers have helped and guided us through our high school days. Their influence and teaching will be felt in the future as they are today.

Few of us ever pause to appreciate their efforts to encourage us toward the fulfillment of our ambitions. Without their unfailing interest, we would have accomplished little.

We sincerely offer our thanks to them.

Must Mr. Cohen, Mr. Skeffington, Mr. Pogliuco, and Mr. Roche share their coffee?

# SENIORS

Mr. Horrigan, Adviser; H. Neimszyk, Vice-President; J. MacDonald, Secretary; V. Carbone, President; E. Zubel, Treasurer.

In the fall of 1957, 198 students returned to Woburn High determined to set new records for spirit and enthusiasm. This was a year of great responsibility; of interviews, applications, examinations, field trips, conferences—the last chance to make decisions for the future while under the guidance of Woburn High. This was a year of great enjoyment; of exciting athletic events, of dances, of banquets, of commencement—our last chance to meet together socially as undergraduates. The accomplishments of the Class of 1958 have now become a matter of record.

## JUNIOR CLASS

Under the guidance of Mr. Flaherty, 270 members of the Class of 1959 entered into activities with vigor. The highlight of academic life, membership in the National Honor Society, was now a realization; the highlight of social life, the Junior Prom, a memory. Projects sponsored by the class indicate the success expected of them as they prepare to take over the responsibilities of a senior year.

**Front:** Janice Higgins, treasurer; Peter Carbone, president; Linda Ericson, secretary. **Back:** Mr. Flaherty, adviser; Frank Arena, vice-president.

# SOPHOMORE CLASS

T. Constantino, vice-president; Joan Moore, treasurer; Richard Corsetti, president; Janet Carbone, secretary; Miss Caruso, adviser.

In September of 1957, 348 Sophomores swarmed over the corridors of Woburn High School. After a period of gradual integration they assumed their role as contributors to the academic and social life of the school. Extra-curricular activities beckoned but not at the expense of the classroom. The class had 46 members representing it on the honor list. The play **Sweet Sixteen** gave promise of future showmen, and the first attempt at a social whirl, the Snowflake Festival, proved a huge success. Miss Evelyn Caruso and Mr. Richard Skeffington, advisers to the class, predict great things for the Class of 1960.

## CLASS SONG

Tune: Around The World in Eighty Days  
Judith Clarke

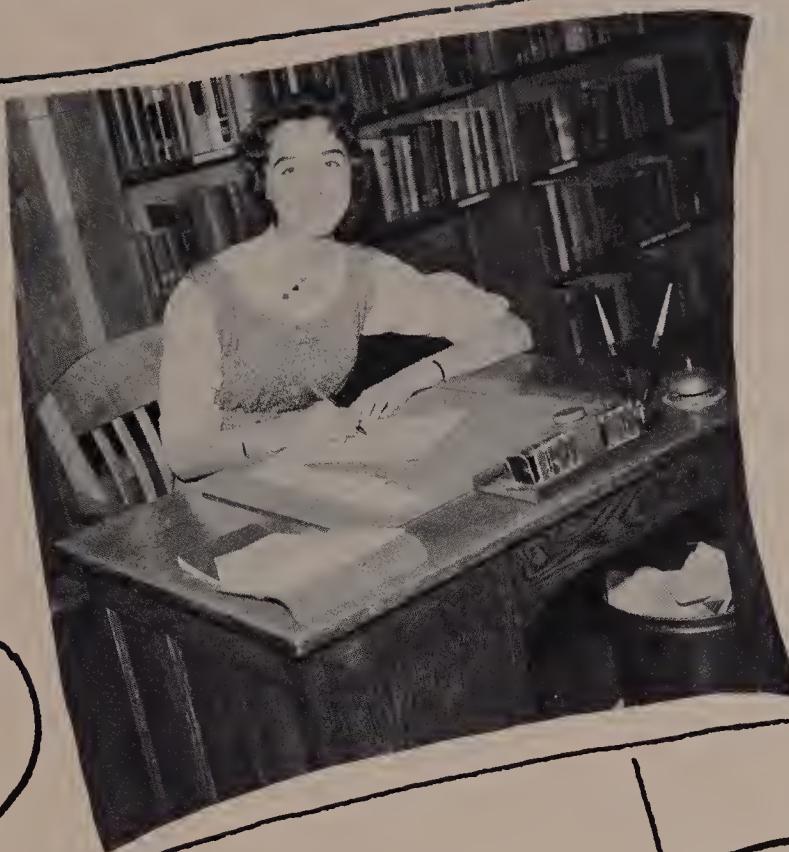

Dear Woburn High to you we sing  
Our voices raise  
In grateful praise  
Our memories we bring

Before the door of life we stand  
To find the key  
We look to thee  
To lead us by the hand

Our hearts are filled with gratitude  
For you our school  
It was the rule  
Some joy to us imbued

In memory dear Woburn High  
You'll be  
The grandest school  
In all the land.

Judith Clarke

## CLASS POEM

### CHOOSING THE WAY

by Linda Preston

Life is a road of various ways,  
Each whispering softly, "Come here."  
To Youth, so eager to travel the road,  
Rings out a question strong and clear:

"Which is the path that I should choose?  
Which, for me, the best;  
And where shall I find the guide that I need  
To aid me in my quest?"

Came then a voice  
In answer sent;  
Straight to the soul  
Of Youth it went.

"Have faith in yourself,"  
It seemed to say,  
"And the courage to try,  
When choosing your way.

"Hope, you may, and even dream,  
But work, you must, and wisely plan;  
Yet if you slip and stumble,  
Arise and try again.

"Always as a guide,  
Remember, use your heart."  
Thus, on the road of life,  
Youth did bravely start.

Though Tomorrow we may pause,  
To look back along the way:  
Our Tomorrow is yet to come,  
And Youth must choose today.

Boys from all classes are invited to join the KIWANIS KEY CLUB which lends assistance at all school activities. Under the guidance of Mr. Joseph Curran, the members

## TANNER NEWS

First the conception of an idea, then the development of this idea; write and re-write; read the galleys and find appropriate illustrations; meet the deadline, cover costs—these are a few of the never-ending problems of a newspaper staff which produces four copies a year. Joy of viewing our efforts in print, of keeping our fellow-students abreast of the events of the school; of attending the editors' conferences; of circulating copies of an award-winning newspaper—these are the rewards of a newspaper staff.

Sheila edits the copy

Lawrence and Jean are pleased with Sheila's results.

## THE 1958 INNITOU

"Can you type? Does everyone have to go now? Where did those pictures disappear to? Has anyone seen . . ." These and hundreds of similar questions are heard coming from beneath the crack of Room 323 almost any afternoon until three-thirty.

In addition to learning the technicalities of producing an annual, the staff of THE INNITOU learned a great deal in the art of human relations.

What a relief after the last deadline was met! In the short interval before the copy was returned from the printer to be proofed, we started our plans for the trip to New York with the members of the local chapter of the National Honor Society as our guests. The four hour train ride provided us with an opportunity to discuss some of our ideas for the class banquet, sponsored by the INNITOU staff, and also for the scholarship awarded by the Yearbook.

After much worry and hurry the Yearbook was distributed. To see the pleased seniors as they received their books and to know what these copies will mean in future years—this was the staff's reward.

Carol and Judy hurry to "job number" the pages before the printer arrives.

## PEP CLUB

It takes more than the team to make the football season successful; interest, spirit, and enthusiasm are needed. This is what the Pep Club has contributed.

At every football game approximately one hundred girls in colorful black and orange supported the cheerleaders in urging the team on to victory.

At every football game of the 1957 season, they added the pep that only one hundred high school girls cheering for their team could add. Mr. Ratchford and the enthusiastic members of the club have aided the cheerleaders in promoting school spirit.

## JUNIOR RED CROSS

Striving to develop a spontaneous acceptance of willingness to aid others, the Junior Red Cross volunteered to undertake several projects during the year. The major accomplishment was carried out in the fall, when the members dressed and distributed dolls to children confined to hospitals during the Christmas season. They supplemented the club activities by featuring two representatives at the meetings of the Boston Chapter. Their newest project to be considered is the assistance at the local hospital.

# SPORTS

Between the halves

Take drums, cymbals, tubas, trumpets, clarinets, and trombones; thoroughly mix and simmer; sprinkle with music and uniforms; bring to practice for three hours a week; stir in a leader; mix with football games, concerts, conclaves, or civic parades, and you have Woburn High School's Band.

This group of musicians has become a medium for transferring enthusiasm and school spirit from itself to the student body. The requests for its appearances at various functions are a testimonial to the excellency of its performances.

Quite a show of legs!

The Girls' Basketball Team, under the excellent leadership of Coach Higgins and Captain Maureen Garvey, had an exciting and victorious season. The team which consists of sophomores, juniors, and seniors, though not undefeated, won five of nine games and showed great sportsmanship and school spirit.

Let's go! Let's win! Many were the cheers that led our teams to victories this year. Our vivacious cheerleaders, dressed in the traditional black and orange, gave moral support at all the games. Between the games they made up new cheers and taught them to the students at pre-game rallies. The short cheers seemed highly effective in the fast-moving games.

## FOOTBALL

The outstanding teamwork displayed by our football team made this a victorious season—eight wins and one loss. Much credit is due Coach Paul Dorrington and Captain Bob Carey for their patience and long practices with our boys.

The climax was reached on November 28, 1957 when our boys really made Winchester "bite the dust" for a Woburn victory, 27 to 13.

## HOCKEY

The coaching ability of Mr. Robert Connolly paid great dividends to this year's hockey team which was under the leadership of Captain John Day.

They responded to the fans' enthusiasm by winning 10 games and tying 7. By doing so they qualified for the league playoffs and overwhelmingly won the Woodman Cup.

An invitation was extended to them to compete in the state play-offs at the Boston Arena.

Our power pint at work again!

Coach Connolly hard at work!

Smiles conquer all

Hord at work

The girls' field hockey team, despite the fact that they finished the season with no victories to their credit, showed great spirit this year. A green team, made up for the most part of sophomores and juniors, held Stoneham to a 0-0 score. Their last game, played with Wilmington, ended in a 1-1 tie. Their first and only goal for the season was made by their captain, Kathy Donizio, in the first two seconds of the last game. The season finished with the cry, "Wait till next year."

### Coach John F. McGovern

During Mr. McGovern's years at Woburn High School, the contributions made in the lives of his boys toward the development of high ideals, gentlemanly deportment, and clean living are too far-reaching to enumerate. Too many, also, are the thrilling contests, eager competitions, and high-spirited meets of his teams. However, some of his outstanding victories never to be erased from the annals of Woburn High School athletic achievements include:

The Fitchburg Relays 1934

The Mystic Valley Championship 1940

The Northeastern Conference Championship 1954

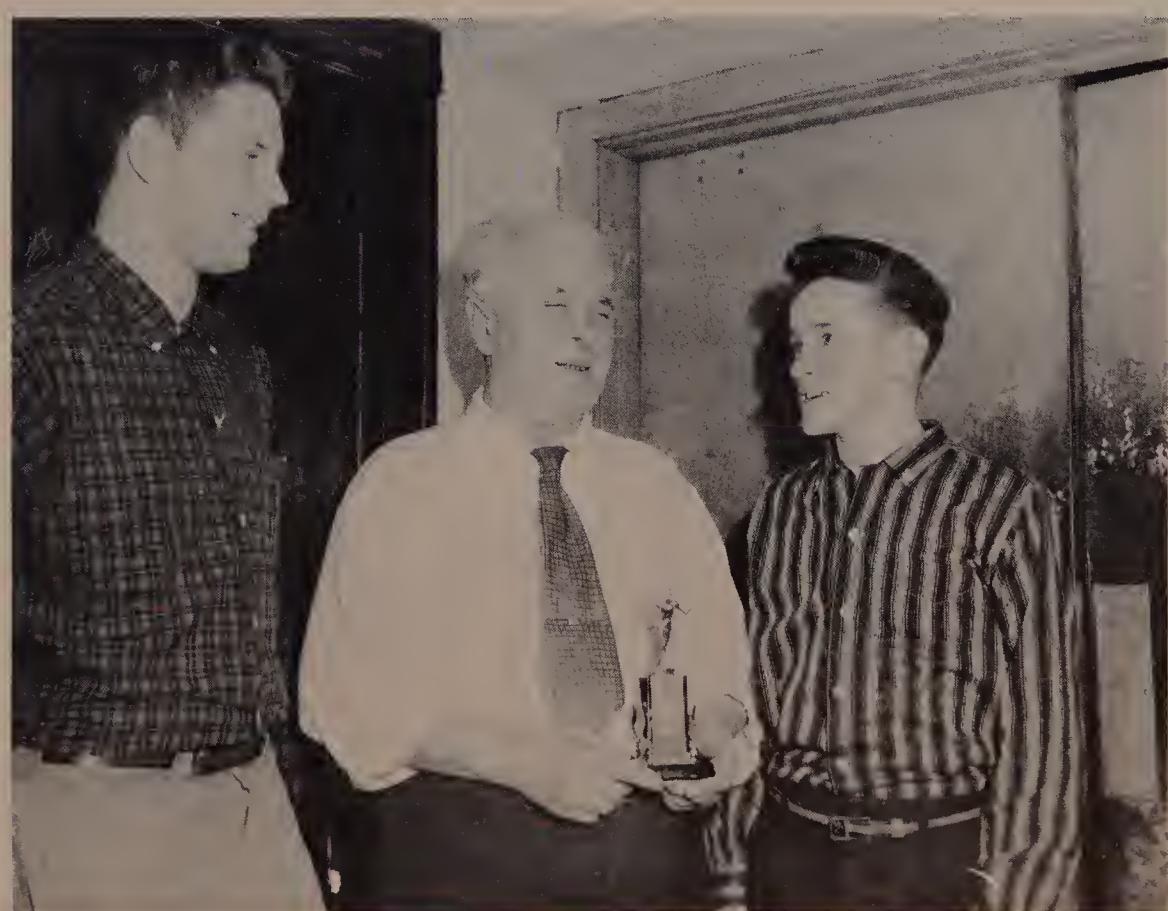

Cross Country Champions Middlesex League 1947-1948

Cross Country Champions Middlesex League 1956-1957

A plaque from the Sports Trail Century Club-Chicago in recognition of 100 victories in 1957

Mr. McGovern may leave us in person, but the spirit that he has instilled in us shall always remain.

May his years of retirement be long, peaceful, and happy.

The boys rejoice with Coach McGovern as he proudly displays the most recent trophy awarded to his team.

Chin up, girls.

## PRETTY JUNIORS ASSIST OUR 1957 MARSHALL

Graduation week is the most exciting one of the entire year. Juniors, as well as seniors, are caught in the bustle of excitement. On Class Day in May, 1957, we donned our prettiest formals and saluted

the out-going seniors. We held high the wands of green and white carnations and thrilled as the seniors passed beneath them. Kathy, our Junior Marshal, led us in the procession.

# MINUTES TO REMEMBER

Memories of the class of 1958 are many and varied. Our first thoughts are of the social and extracurricular activities, the basketball, football and hockey games; the dances, the club meetings and the social hours. We think last of the all-important curricular work—the subject which we finally mastered but which almost mastered us, our favorite teachers, the fun of "shops" or "home ec". These and others will combine to form the impression of our alma mater.

On these pages is re-enacted both pictorially and verbally our high school days.

In looking through this book we remember school as it was; we remember the buzz of the closing bell; the shuffling of feet in the corridors; the joyful goodbyes and the slamming of car doors.

As we leave this way of life to enter on new paths, a nostalgic feeling creeps over us, and we join with Elizabeth Akers Allen in saying:

"Backward, turn backward, O Time, in your flight."

Ralph looks in doubt.

Our Ipana kids.

One of our efficient businessmen.

Check the change, Billy.

Lots of marshmallow!  
Bobby waits patiently.

## "THE WHOLE TOWN'S TALKING"

"The Whole Town's Talking" is the hilarious story of the meek office drudge who falls in love with the boss's daughter. She, unfortunately, loves not him but a gay individual whom she has met in Chicago. A past is invented for poor Chester, including a supposed love affair with a beautiful Hollywood actress. Complications arise when the actress makes a personal appearance at the local theater. Her manager, who is also her fiance, finds out about the hypothetical romance, and after that events happen fast and furiously.

The Senior Class made dramatic history on April 11, 1958, when, under the direction of Mr. Kimball, it presented "The Whole Town's Talking" by John Emerson and Anita Loos to a capacity audience.
